

ACE MAVERICKS!

WELCOME FAMILIES!

The ACE Program is excited for a new year at Mendez Middle School! We are thrilled to launch the after-school program on campus and look forward to seeing students ready to learn and try new things after the bell rings.

What is the ACE Program? We offer fun after-school clubs where students can try new things. Kids can explore science, art, sports, and ways to prepare for college and future jobs.

The Details:

- Clubs meet after school.
- Joining is optional, but we strongly encourage everyone to try it out!
- Students can choose different clubs based on what they like.
- We also host fun events and activities for families!

Examples of Classes: eSports, Anime, tutoring, art, sports, and more!
